To Whom It May Concern,

In March of 2013 I visited Japan on a sales trip to encourage the filming of Japanese Television Commercials in Canada. The trip involved a number of meetings with Tokyo based production companies. Prior to my visit I discovered how challenging it is to find street addresses in Tokyo. And so I contacted Dru Tang at HinoMaple. I could not have had a successful trip without Dru's kind assistance. Not only did Dru help me plan my itinerary and act as my guide for my three day visit but he also recommended places to visit, shops where I could buy gifts for my family and friends, and he acted as my translator when required. I highly recommend contacting Dru if you plan on visiting Japan.

Sincerely,

David Bouck
